ABOUT US

Haining Gelinte Outdoor Product Co.,Ltd

Located in Zhejiang province,China,which invests four outdoor product factories: Sup boards, snowboards&Skis, skateboards, scooters.

At the same time, cooperating with many factories has greatly increased the production capacity, shortened the delivery time, and more importantly, can provide smaller MOQ and inventory products, which helps many new companies to start business with us. We are a professional OEM, ODM factory in China, providing customized services such as different product shapes, colors, and logos. Of course, if you are a new company, you are also very welcome to use our brand: READY TO LIVE and Our Logo. We are committed to building a professional team to serve customers from all over the world. And we believe that our products can make people all over the world enjoy life better. Ready To Live with Gelinte.
